## Important Updates

I'd like to meet with each of you for about 15 minutes this week to discuss your child's readiness for kindergarten. I still have many times available for those of you that haven't had a chance to sign up yet.

This Saturday morning, February 27, we will be having an open gym/open house for preschool families. This is for current 3K and 4K families and prospective preschool students for next year. We would love for you to come and play and invite anyone you know who may be looking for a wonderful 3K and 4K program for next year. We will have tours of the school and extended care and it will be a wonderful chance for new families to meet each other and to meet and connect with current families. We'd love for you to share your good experiences with other families that are considering Grace, and give you a place to let your kids let off a little steam for an hour or so on a Saturday morning.
