Jesus' Time

This week we learned about how Jesus healed a lame man through his disciples, Peter and John. We learned of the joy of the man and compared it to the joy we have as forgiven, children of God. We learned the song, "Peter and John". It very much became one of the class favorite songs!

Books & Videos

- The Enormous Carrot
- Curious George Plants a Seed
- Seeds
- Roots
- Stems
- Leaves
- Flowers
- Dandelions, Stars in the Grass
- Video- Seeds on the Go
- Charlie Plants a Garden

Letter of the Week

This week we learned the letter V with the story of Vam the Vampire. We made a van of V words and found v words in the poem, "Viper on a Vine". We made ranch dip and tried many different kinds of vegetables for our snack on Friday.

Junior Achievement And Plants

This week for JA we learned about working together to complete a project. We read about Charlie and his class who made a class garden. This fit right in with our theme for the week because we learned about growing plants and parts of a plant. We will continue learning about growing plants this next week.

Centers

- Journals - D and E pictures and word
- Reading Folders - Most kids received a story of either short a or short e words. Have the kids sound out as many words as possible. The copied stories that the kids are bringing home are theirs to keep. This would be good books to save and bring out over the summer to keep the kids fresh on letter sounds.
- Computers - What did the Sunflower Say

Math

We worked with dice a lot this week. We read numbers on one die and then learned to count on with 2 dice. We used a balance scale and continued to practice writing numbers 1 - 10.

Next Week: Snack and Mystery Bag

Morning Class: Daniel
Afternoon Class: Mason
